The Wage Mariner Hiring Portal (WMHP) is an internet-based system (web site) that is designed to allow an applicant to apply for a “wage mariner” position within the National Oceanic and Atmospheric Administration (NOAA) fleet of maritime vessels. The WMHP system collects basic user information, wage mariner licensing, certifications, and relevant current and or past

work history. The Department of Commerce (DOC), through NOAA, Office of Marine and Aviation Operations (OMAO) has special hiring authority under Code of Federal Regulations (CFR), title 5, chapter 1, subchapter A, part 3, §3.2 and under the DOC Department Administrative Order (DAO) 202-302 section 2, subsection .02a. specific to the hiring of Federal wage mariner employees. The regulations allow OMAO to hire wage mariners into excepted service positions within the NOAA fleet of ocean going vessels in order to maintain adequate operations, maintenance, and safe staffing of the maritime ships.

No physical forms are used in this collection, it is all online. Applicants fill out basic personal, licensure, and work history information into a profile resume. Once their basic profile is complete, applicants can submit this resume to available wage mariner positions as shown on the WMHP web site. The application information received is used to determine if the applicant meets the basic job qualification. The applicant's information is then passed on to the hiring official or it is placed in a pool of prospective candidates for future openings. Application information includes: first and last name, contact number and email address, wage mariner licenses and certifications, relevant work history.

Affected Public: Individuals or households.
